ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Auto lights, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Leather Seats, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Reverse camera, Service History, Side Steps, Smart key, Window tint. Built to work hard during the week and take on the weekend in comfort, the 2026 Ford Ranger 2.0L Single Turbo Diesel XLT Double Cab 4x2 10-Speed Automatic delivers an excellent combination of performance, practicality, technology and everyday refinement., For 2026, Ford updated the XLT with its upgraded 2.0-litre single-turbo diesel engine, producing 125 kW of power and 405 Nm of torque, paired with a smooth 10-speed automatic transmission. Ford South Africa, Performance drivetrain, Under the bonnet is Ford s proven 2.0L SiT turbodiesel engine, designed to provide strong low-down torque for everyday driving, carrying loads and longer-distance travel., Key performance specifications include , - 2.0L Single Turbo Diesel engine, - 125 kW @ 3,500 rpm, - 405 Nm @ 1,750 2,500 rpm, - 10-speed automatic transmission, - 4x2 drivetrain, - 16-valve diesel engine, - Strong low-speed torque delivery, - Smooth, refined automatic gear changes, The 10-speed automatic transmission helps keep the engine operating efficiently while giving the Ranger responsive acceleration and relaxed cruising at highway speeds. Ford South Africa, XLT styling, The Ranger XLT gives you the rugged presence expected from a Ranger while adding a more premium finish than the entry-level workhorse derivatives., Its bold front-end styling, muscular body lines and Double Cab proportions give the Ranger a commanding appearance on the road., Whether parked at a worksite, towing your weekend equipment or arriving at a client meeting, the XLT looks equally at home., Double Cab practicality, With four full-size doors and seating for up to five occupants, the Ranger Double Cab is ideal for families, businesses and buyers who need one vehicle capable of handling multiple roles., The spacious cabin provides comfortable seating for both front and rear passengers, while the rear load box remains ready for tools, equipment, luggage or recreational gear., It makes an excellent choice for , - Business owners, - Contractors, - Sales representatives, - Farmers, - Families, - Outdoor enthusiasts, - Long-distance travellers, - Buyers wanting a versatile lifestyle bakkie, Interior comfort, Step inside the Ranger XLT and you immediately notice that this is far more than a traditional work bakkie., The cabin has been designed to provide the comfort and technology expected from a modern SUV while retaining the durability and practicality needed in a Double Cab., Depending on specification and fitted options, XLT equipment may include features such as , - Multifunction steering wheel, - Reach and rake steering adjustment, - Comfortable cloth upholstery, - Adjustable front seating, - Air conditioning, - Cruise control, - Electric windows, - Central locking, - Multiple storage compartments, - Front and rear cupholders, - Centre console storage, - 12V power outlets, - USB charging functionality, - Rear passenger ventilation, - Modern digital instrumentation, The centre console and practical cabin storage make it equally convenient for daily commuting or travelling long distances. Ford South Africa, Technology connectivity, One of the highlights of the modern Ranger generation is the amount of technology built into the cabin., The Ranger's touchscreen-based infotainment system puts entertainment, communication and key vehicle functions within easy reach., Depending on the exact vehicle specification, features can include , - Large touchscreen infotainment display, - Bluetooth connectivity, - Smartphone integration, - Apple CarPlay, - Android Auto, - USB connectivity, - Steering-wheel-mounted audio controls, - Digital driver information display, - Multiple charging points, This technology makes the Ranger particularly easy to live with if you're constantly travelling between customers, jobsites or towns., Safety, Ford has engineered the Ranger around modern occupant protection and driver-assistance technology., Model-specific equipment should always be confirmed on the individual vehicle, but the Ranger range may offer safety and assistance systems including , - Multiple airbags, - ABS braking, - Electronic Brakeforce Distribution, - Electronic Stability Control, - Traction Control, - Hill Launch Assist, - Rear parking sensors, - Reverse camera, - ISOFIX child-seat mounting points, - Trailer Stability Control, - Driver-assistance technology, - Seatbelt reminders, - Emergency braking assistance, The combination of these features makes the Ranger suitable for both business and family use., Practical load capability, The Ranger remains first and foremost a bakkie, and the load box has been designed with practical everyday use in mind., Whether you're transporting tools, agricultural equipment, camping equipment, bicycles or luggage, the Ranger provides the versatility expected from one of South Africa's most popular Double Cab platforms., A wide variety of accessories can also be fitted depending on your requirements, including , - Canopies, - Tonneau covers, - Roller shutters, - Rubberising, - Sports bars, - Towbars, - Nudge bars, - Roof racks, - Side steps, - Load-management accessories, Why choose the 4x2 XLT?, Not everyone needs four-wheel drive., For drivers spending the majority of their time on tar roads, highways, farms with maintained roads or urban

environments, the XLT 4x2 offers a great balance between Ranger capability and everyday usability., You still get the commanding driving position, Double Cab versatility, strong diesel torque and XLT specification without paying for a 4x4 system you might rarely use., It is particularly attractive for customers who cover high annual mileage or need a comfortable business vehicle., Ideal long-distance vehicle, The Ranger's comfortable seating, refined diesel engine and 10-speed automatic gearbox make it particularly well suited to long-distance South African driving., The transmission can select from a wide spread of gear ratios, allowing strong acceleration when required while maintaining relaxed engine speeds during cruising., Whether you're travelling between Secunda, Johannesburg, Pretoria, Mbombela or further afield, the Ranger is designed to make long journeys comfortable., Ford ownership benefits, Ford South Africa lists the Ranger with comprehensive ownership support. Depending on the applicable terms and vehicle, this includes a 4-year 120,000 km comprehensive warranty, 4-year unlimited-distance roadside assistance and 5-year unlimited-distance corrosion warranty, with optional service-plan offerings also available. Ford South Africa, Always confirm the remaining or applicable warranty service-plan details with the selling dealer for the specific vehicle., Why buy the Ford Ranger XLT?, The XLT sits in a sweet spot within the Ranger line-up., It provides noticeably more comfort, technology and styling than a basic workhorse while remaining focused on practicality and value., You get , - Powerful turbo-diesel performance, - 125 kW 405 Nm, - Smooth 10-speed automatic transmission, - Spacious Double Cab interior, - Modern infotainment technology, - Strong safety specification, - Large and practical load area, - Excellent everyday usability, - Bold Ranger styling, - Comfortable long-distance driving, - Proven Ford Ranger capability, The result is a vehicle that can be your company bakkie during business hours, family vehicle after work and lifestyle vehicle over the weekend., Enquire today, If you're searching for a modern automatic Double Cab offering diesel power, generous cabin space and excellent everyday practicality, the 2026 Ford Ranger 2.0L SiT XLT Double Cab 4x2 10AT deserves a place at the top of your list., Finance available through all major banks. Trade-ins welcome., All advertised offers are subject to approval and applicable terms and conditions. Dealer fees and optional accessories may be excluded. Vehicle specifications and fitted features should be confirmed with the dealership prior to purchase.
