ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Auto lights, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Leather Seats, Metallic Paint, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Reverse camera, Service History, Smart key, Sunroof, Window tint. 2026 Nissan Tekton 1.3T Tekna DCT, The 2026 Nissan Tekton 1.3T Tekna DCT brings together strong turbocharged performance, premium comfort, advanced driver-assistance technology and generous SUV practicality in one seriously well-equipped package., Powered by a 1.3-litre turbocharged petrol engine producing 115 kW and 260 Nm, the Tekna uses a 6-speed automatic dual-clutch transmission with wet clutch and e-Shifter. It is front-wheel drive and delivers a claimed 0 100 km h time of approximately 9.89 seconds, with a top speed of around 198 km h. Nissan, For buyers looking for something more premium than the Acenta, the Tekna steps things up with features such as 18-inch machined alloy wheels, ventilated front seats, powered driver-seat adjustment, a 10.25-inch TFT instrument cluster, paddle shifters, Intelligent Cruise Control, Lane Departure Warning and an upgraded Arkamys Auditorium audio system. Nissan, 1.3-LITRE TURBOCHARGED PERFORMANCE, At the heart of the Tekton Tekna is Nissan's responsive 1,333 cc four-cylinder turbocharged petrol engine., Key performance specifications include , - 115 kW maximum power, - 260 Nm maximum torque, - 1.3-litre turbocharged petrol engine, - 4-cylinder configuration, - Front-wheel drive 2WD, - 6-speed dual-clutch automatic transmission, - Wet-clutch technology, - Electronic e-Shifter, - 0 100 km h in approximately 9.89 seconds, - Maximum speed approximately 198 km h, The 260 Nm torque output gives the Tekton confident performance when overtaking, joining a highway or carrying passengers and luggage. Nissan, 6-SPEED DCT WITH E-SHIFTER, The Tekna uses a 6-speed automatic transmission with wet clutch and electronic e-Shifter., This dual-clutch setup is designed to provide responsive gear changes while retaining the everyday convenience of an automatic transmission., The Tekna also adds steering-wheel-mounted paddle shifters, allowing the driver to take more direct control of gear selection when desired. Nissan, DRIVE MODES, The Tekna includes selectable driving modes with dedicated displays., The system offers modes including , - ECO, - COMFORT, - PERSONAL, These allow aspects of the driving experience to be tailored according to the driver's preference and conditions. Nissan also integrates dedicated mood lighting with its drive-mode functionality. Nissan, FUEL CONSUMPTION, Despite the strong performance available from the turbocharged engine, Nissan lists combined fuel consumption at approximately , 6.3 litres per 100 km, Other figures include , - Fuel tank capacity 50 litres, - CO emissions approximately 149 g km, Actual consumption will vary depending on driving style, traffic, vehicle load, road conditions and other factors. Nissan, 18-INCH MACHINED ALLOY WHEELS, The Tekna is distinguished by stylish 18-inch diamond-cut machined alloy wheels., Tyre size is listed as , 225 55 R18, The vehicle also carries a full-size spare wheel, an especially useful feature for longer South African road trips. Nissan, BOLD SUV STYLING, The Tekton combines modern SUV styling with design cues Nissan says were inspired by the larger Nissan Patrol., Exterior highlights on the Tekna include , - LED headlights, - LED signature daytime running lights, - 18-inch machined alloy wheels, - Auto-folding exterior mirrors, - Rain-sensing front wipers, - Shark-fin antenna, - LED high-mounted brake light, - Front LED fog lights, - Strong SUV body styling, - Raised ride height, - Panoramic glass roof, The result is a modern SUV with a strong, premium road presence. Nissan, PANORAMIC OPENING GLASS ROOF, The Tekna features a panoramic opening glass roof with an electrically operated cover., This brings additional natural light into the interior and helps give the cabin a more spacious and premium atmosphere. Nissan, 212 MM GROUND CLEARANCE, The Tekton has approximately 212 mm of ground clearance, giving it useful clearance for everyday South African driving conditions., This can be particularly helpful when negotiating , - Speed bumps, - Rough driveways, - Gravel roads, - Uneven road surfaces, - Farm entrances, - Poorly maintained roads, Key dimensions include , - Overall length 4,349 mm, - Width excluding mirrors 1,815 mm, - Overall height including roof rails 1,674 mm, - Ground clearance 212 mm, - Minimum turning-circle diameter approximately 10.8 metres, - Seating capacity 5 Nissan, PREMIUM TEKNA INTERIOR, The Tekna adds a significant amount of comfort equipment over lower derivatives., Interior features include , - 10.25-inch TFT instrument cluster, - 10.1-inch central infotainment display, - Ambient interior lighting, - High centre console, - Wireless charging, - Rear air vents with airflow adjustment, - Electric parking brake, - Auto Hold, - Cruise control, - Intelligent Cruise Control, - Multifunction steering wheel, - Keyless entry, - Push-button start, - Approach unlock, - Walk-away locking, - Auto-dimming frameless rear-view mirror, - Multiple 12V power outlets, - Premium interior trim, The cabin is designed to provide the combination of technology and comfort expected from the Tekna specification. Nissan, VENTILATED FRONT SEATS, One of the standout Tekna features is ventilation for both the driver and front passenger seats., This can be

especially welcome during hot South African summers, helping circulate air through the seat surface for improved comfort. Nissan, POWER-ADJUSTABLE DRIVER'S SEAT, The driver's seat features powered six-way adjustment, including adjustment for , - Sliding, - Reclining, - Height, This makes it easier to find a comfortable driving position and adds another premium touch to the Tekna specification. Nissan, 10.25-INCH TFT DRIVER DISPLAY, The Tekna upgrades to a 10.25-inch TFT digital instrument cluster., This large display provides driving information in a modern digital format and integrates with the Tekton's different driving modes and vehicle systems. Nissan, 10.1-INCH INFOTAINMENT SYSTEM, At the centre of the dashboard is a 10.1-inch infotainment touchscreen., Connectivity includes , - Wireless Apple CarPlay, - Wireless Android Auto, - Bluetooth connectivity, - Hands-free calling, - Audio streaming, - Steering-wheel-mounted controls, This allows compatible smartphone functions to be accessed without needing to connect a cable every time you enter the vehicle. Nissan, ARKAMYS AUDITORIUM SOUND, The Tekna upgrades to an Arkamys Auditorium audio system with six speakers., Nissan describes the system as providing a more immersive audio experience than the standard system found on lower derivatives. Nissan, WIRELESS PHONE CHARGING, The high centre console incorporates a wireless smartphone charger., Compatible smartphones can simply be placed on the charging area without plugging in a charging cable. Nissan, INTELLIGENT CRUISE CONTROL, The Tekna adds Intelligent Cruise Control., Unlike conventional cruise control, this system can assist in maintaining a selected following distance relative to the vehicle ahead, subject to system limitations and road conditions., This can make longer highway journeys more relaxed and convenient. Nissan, ADVANCED DRIVER-ASSISTANCE TECHNOLOGY, Tekna specification adds a more comprehensive suite of driver-assistance systems., Features include , - Blind Spot Warning, - Lane Departure Warning, - Front Collision Warning, - Intelligent Cruise Control, - Front parking sensors, - Rear parking sensors, - Rear-view camera, - Hill Start Assist, - Hill Descent Assist, - Electronic Stability Control, - Tyre Pressure Monitoring System, - ABS, - Electronic Brake-force Distribution, - Emergency Brake Assist, Nissan says the wider Tekton range incorporates more than 40 safety features, with advanced assistance equipment increasing on higher derivatives. Nissan, LANE DEPARTURE WARNING, Lane Departure Warning can alert the driver if the vehicle begins to unintentionally leave its lane., Nissan specifies a steering-wheel vibration warning function on the Tekna. Nissan, BLIND SPOT WARNING, Blind Spot Warning assists the driver by detecting vehicles in areas that may be difficult to see in the exterior mirrors., This can provide additional awareness during lane changes and busy highway driving. Nissan, SIX AIRBAGS, The Tekton comes with six airbags as standard., These include , - Driver airbag, - Front passenger airbag, - Side airbags, - Curtain airbags covering front and rear occupants, Nissan also states that the Tekton's monocoque body uses a significant proportion of high-strength steel as part of its overall safety structure. Nissan, 518-LITRE LUGGAGE CAPACITY, The Tekton offers excellent everyday practicality., Luggage capacity is listed at , - 518 litres behind the second row up to the parcel shelf, - Up to 1,789 litres with the second-row seats folded, This makes the Tekton particularly useful for , - Family holidays, - Grocery shopping, - Sports equipment, - School bags, - Work equipment, - Weekend luggage, - Larger household purchases Nissan, TOWING CAPACITY, For buyers who occasionally need to tow, Nissan lists , - Maximum unbraked towing capacity 750 kg, - Maximum braked towing capacity 800 kg, Always confirm that the trailer and load comply with the vehicle's specification and applicable South African towing regulations. Nissan, WARRANTY SERVICE PLAN, The Tekton is backed by Nissan South Africa's ownership package., Current specifications include , - 6-year 150,000 km mechanical warranty, - 4-year 60,000 km service plan, - Service intervals every 15,000 km or 12 months, This provides additional peace of mind and assists with planning future servicing costs. Nissan, WHY CHOOSE THE 2026 NISSAN TEKTON 1.3T TEKNA DCT?, The Tekna brings together many of the Tekton range's most desirable features , - 1.3-litre turbo petrol engine, - 115 kW, - 260 Nm, - 6-speed DCT automatic, - Wet-clutch technology, - Electronic e-Shifter, - Paddle shifters, - Approx. 6.3 L 100 km combined consumption, - 18-inch machined alloy wheels, - 212 mm ground clearance, - Panoramic opening glass roof, - 10.25-inch TFT instrument cluster, - 10.1-inch touchscreen, - Wireless Apple CarPlay, - Wireless Android Auto, - Wireless phone charging, - Arkamys Auditorium audio, - Six speakers, - Ventilated driver and passenger seats, - Powered six-way driver's seat, - Intelligent Cruise Control, - Blind Spot Warning, - Lane Departure Warning, - Front Collision Warning, - Front and rear parking sensors, - Six airbags, - Hill Start Assist, - Hill Descent Assist, - Electronic Stability Control, - Tyre Pressure Monitoring, - 518-litre luggage capacity, - Up to 1,789 litres with rear seats folded, - Full-size spare wheel, - 6-year 150,000 km warranty, - 4-year 60,000 km service plan, The 2026 Nissan Tekton 1.3T Tekna DCT is a strong option for buyers wanting an automatic family SUV with turbocharged performance, generous luggage capacity and a noticeably premium level of technology and comfort., FINANCE TRADE-INS, Finance is available through all major banks, subject to approval., We offer competitive trade-in
