ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Metallic Paint, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Service History, Window tint. 2026 Renault Triber 1.0L Techno, , The 2026 Renault Triber 1.0L Techno is the perfect combination of practicality, affordability and family-friendly versatility. With seating for up to 7 occupants, a highly adaptable interior and excellent fuel efficiency, the Triber is an ideal option for families, commuters and anyone looking for maximum space without the running costs of a large SUV., , The latest Triber also brings a refreshed design, improved technology and an enhanced safety package, making the Techno derivative an extremely attractive option in the compact MPV market., , Engine Performance, , Under the bonnet is a 1.0-litre naturally aspirated petrol engine designed to deliver dependable, economical everyday motoring., , Key specifications include , , 1.0L petrol engine, , 3-cylinder configuration, , 53 kW of power, , 96 Nm of torque, , 5-speed manual transmission, , Front-wheel drive, , 40-litre fuel tank, , Lightweight and economical design, , The engine uses multi-point fuel injection and is particularly well suited to city driving, school runs and daily commuting., , Excellent Fuel Economy, , One of the Triber's biggest advantages is its low fuel consumption., , Despite offering seating for seven people, the lightweight body and economical 1.0-litre engine help keep fuel costs manageable. Fuel consumption is approximately 5.5L 100 km, depending on driving conditions and driving style., , This makes the Triber an excellent alternative for families who need additional seating but don't want the fuel consumption associated with a larger SUV., , 7-Seater Versatility, , Space is where the Renault Triber really shines., , The clever Easy-Fix third-row seats allow the interior to be configured as a , , 5-seater, , 6-seater, , 7-seater, , The third-row seats can be removed when additional luggage space is required, making the Triber incredibly versatile for changing family needs., , Going away for the weekend? Remove the rear seats and create additional luggage space., , Doing the school run? Put all seven seats back in and carry the family., , It's this flexibility that makes the Triber such a practical everyday vehicle., , Impressive Boot Space, , In its 5-seat configuration, the Triber provides up to 625 litres of luggage capacity, which is exceptional for a vehicle of this size., , There is plenty of room for , , Groceries, , School bags, , Luggage, , Sports equipment, , Prams, , Everyday family gear, , The Triber also provides approximately 23 litres of additional storage compartments throughout the cabin, including useful console and glove-box storage., , Modern Techno Interior, , The 2026 Triber features a noticeably more modern cabin with a redesigned dashboard and improved technology., , The Techno specification includes or may feature equipment such as , , 8-inch floating touchscreen infotainment system, , Wireless smartphone replication, , Apple CarPlay, , Android Auto, , Bluetooth connectivity, , USB connectivity, , Multifunction steering wheel, , Digital driver information display, , Air conditioning, , Electric windows, , Central locking, , Multiple storage compartments, , The new 7-inch TFT digital instrument cluster provides important driving information directly in front of the driver., , Rear Air Conditioning, , Families travelling in South Africa will appreciate the Triber's dedicated rear ventilation., , The vehicle features independent rear air-conditioning with vents for second- and third-row occupants, helping keep passengers comfortable even on warmer days., , This is particularly useful when all seven seats are occupied., , Updated Exterior Styling, , The latest Triber receives Renault's newer design identity, giving it a more modern and sophisticated appearance., , Styling highlights include , , Updated Renault branding, , Redesigned front styling, , Updated bumper design, , LED lighting elements, , Revised rear styling, , LED tail lamps, , Stylish dual-tone wheel design, , Raised SUV-inspired stance, , Practical roof rails, , Modern body detailing, , The refreshed design gives the Triber more road presence while maintaining its compact dimensions., , Compact Yet Spacious, , The Triber measures approximately , , 3,985 mm long, , 2,636 mm wheelbase, , 182 mm ground clearance, , Despite accommodating up to seven occupants, the Triber remains compact enough to manoeuvre easily in town and fit comfortably into normal parking spaces., , The 182 mm ground clearance is particularly useful on uneven roads, gravel roads and larger speed bumps., , Improved Safety, , Safety has received significant attention in the latest-generation Triber., , The new Triber is equipped with six airbags across the range, along with a number of additional safety and driver-assistance features., , Depending on exact specification, safety features include , , 6 airbags, , ABS braking, , Electronic Brakeforce Distribution, , Brake Assist, , Electronic stability systems, , Tyre Pressure Monitoring System, , ISOFIX child-seat mounting points, , Front parking sensors, , Rear parking sensors, , Seatbelt reminders, , Child safety locks, , Remote central locking, , The addition of front parking sensors is particularly useful when manoeuvring in tight parking spaces., , Perfect Family Vehicle, , The Renault Triber makes a particularly strong case as an affordable family car., , You get the practicality of seven seats without having to move into a significantly larger or more
