ABOUT THIS CAR

Air Conditioner, Alarm Immobiliser, Alloy Wheels, Bluetooth, Carpet Set, Cartrack, Central Locking, Electric Windows, Metallic Paint, Power Steering, Radio CD, Remainder of Service Plan, Remainder of Warranty, Service History, Window tint. If you re looking for a reliable, economical and practical hatchback that has earned its place as one of South Africa s favourite vehicles, the 2026 Volkswagen Polo Vivo 1.4 5DR deserves a closer look., , The Polo Vivo has built an outstanding reputation for combining Volkswagen engineering with everyday practicality, affordable running costs and excellent resale appeal. Whether you re purchasing your first vehicle, looking for dependable daily transport, need a practical family hatchback or simply want something economical for commuting, the Polo Vivo continues to tick all the right boxes., , Powered by Volkswagen s proven 1.4-litre petrol engine, this model delivers 55 kW of power and 130 Nm of torque, paired with a smooth and easy-to-use 5-speed manual transmission. It provides enough performance for daily urban driving while remaining impressively economical, with Volkswagen quoting combined fuel consumption of approximately 5.5 litres per 100 km., , ENGINE PERFORMANCE, , The 2026 Polo Vivo 1.4 is designed around dependable, straightforward motoring., , Its naturally aspirated 1.4-litre four-cylinder petrol engine provides predictable power delivery and is particularly well suited to everyday commuting. Unlike a high-performance vehicle that demands aggressive driving, the Vivo focuses on smoothness, efficiency and ease of operation., , Key performance specifications include , , 1.4-litre MPI petrol engine, , Four-cylinder engine, , Approximately 1,398 cc engine capacity, , Maximum power 55 kW, , Maximum torque 130 Nm, , 5-speed manual transmission, , Front-wheel drive, , Combined fuel consumption approximately 5.5 L 100 km, , Approximate top speed 171 km h, , 0 100 km h approximately 12.8 seconds, , The lightweight hatchback body combined with the efficient engine makes the Polo Vivo particularly comfortable around town. It is easy to manoeuvre through traffic, economical on longer journeys and uncomplicated to drive., , DESIGNED FOR SOUTH AFRICAN MOTORING, , Few vehicles have established themselves in South Africa quite like the Volkswagen Polo Vivo., , It has become particularly popular among first-time buyers, families, students, commuters and businesses because it balances affordability with the trusted Volkswagen name., , The refreshed design gives the Vivo a modern appearance while retaining the familiar shape that has made it such a successful hatchback., , The updated model features contemporary Volkswagen styling, including refreshed headlights, redesigned bumper detailing and Volkswagen s modern 2D badge., , The clean exterior design is smart without being unnecessarily complicated, making the Polo Vivo suitable for drivers of virtually any age., , EXTERIOR FEATURES, , The Polo Vivo combines compact dimensions with attractive Volkswagen styling., , Depending on the exact vehicle specification and optional equipment fitted, exterior highlights may include , , Five-door hatchback body, , Body-coloured front and rear bumpers, , Volkswagen 2D exterior badging, , Updated front bumper design, , Modern headlamp design, , Daytime Running Lights, , Front fog lights, , Cornering-light functionality, , Black exterior mirror housings, , Black exterior door handles, , Rear fog lamp, , High-level brake light, , Full-size spare wheel, , Optional alloy wheels, , Compact dimensions ideal for urban driving, , The five-door configuration makes everyday use considerably easier than a three-door hatchback, particularly when carrying passengers, children, groceries or luggage., , MODERN INTERIOR, , Step inside the Polo Vivo and you ll immediately understand why it remains so popular., , Volkswagen has concentrated on providing a cabin that feels solid, functional and comfortable., , Everything is positioned logically around the driver, and the straightforward dashboard layout means there is very little learning curve when getting into the vehicle for the first time., , Standard equipment includes a height and reach adjustable steering column, allowing drivers of different heights to find a comfortable seating position., , The cabin provides seating for five passengers, while the rear bench offers practical space for children or adults., , INFOTAINMENT CONNECTIVITY, , One of the significant improvements to the refreshed Polo Vivo range is its updated infotainment offering., , The vehicle incorporates a 9-inch Mirgor infotainment system, providing drivers with convenient access to entertainment and smartphone connectivity., , Features include , , 9-inch infotainment display, , App-Connect, , Bluetooth connectivity, , USB connectivity, , Audio system, , Steering-wheel-mounted controls, , Smartphone integration capability, , This makes it easy to connect your compatible smartphone and enjoy your favourite music, podcasts and compatible applications while travelling., , INTERIOR COMFORT CONVENIENCE, , The Polo Vivo is designed for drivers who use their vehicles every day, so convenience features are especially important., , Key comfort and convenience features include , , Manual air conditioning, , Power steering, , Front electric windows, , Remote central locking, , Multi-function steering wheel, , Multi-function display, , Electronic speedometer, , Odometer, , Trip odometer, , Tachometer, , Front door storage pockets, , Two cup holders integrated into

the centre console, , Front reading light, , Luggage compartment lighting, , Adjustable steering column, , Comfortable cloth upholstery, , Practical dashboard storage, , Air conditioning is particularly important in South African driving conditions, while power steering and the vehicle s compact dimensions make parking and low-speed manoeuvring effortless., , PRACTICAL BOOT SPACE, , Despite its compact exterior dimensions, the Polo Vivo provides useful everyday luggage capacity., , The rear luggage compartment offers approximately 280 litres of load volume with the rear seats in their normal position., , When additional loading space is required, folding the rear seats can increase the available cargo area to approximately 952 litres, depending on configuration., , This makes the Vivo suitable for , , Grocery shopping, , School bags, , Weekend luggage, , Sports equipment, , Everyday family use, , Work equipment, , Smaller furniture or larger items with the seats folded, , SAFETY, , Safety is one of the most important considerations when purchasing any vehicle, and Volkswagen has strengthened the Polo Vivo s safety offering considerably., , The Polo Vivo has achieved a 4-star Global NCAP adult occupant protection rating, reinforcing its credentials as a strong option within the affordable hatchback segment., , Safety equipment includes , , Driver airbag, , Front passenger airbag, , Anti-lock Braking System, , Electronic Stability Control, , Traction stability assistance, , Hill Start Assist, , Tyre Pressure Monitoring functionality, , Remote central locking, , High-level brake light, , Three-point seatbelts, , Child-safety considerations, , Full-size spare wheel, , Electronic Stability Control can assist the driver when the vehicle begins to lose stability by selectively applying braking force to individual wheels., , Hill Start Assist can also make pulling away on an incline easier by helping prevent the vehicle from rolling backwards while the driver transitions between the brake and accelerator., , COMPACT AND EASY TO DRIVE, , One of the greatest advantages of the Polo Vivo is how easy it is to live with., , Approximate dimensions include , , Length 3,972 mm, , Width excluding mirrors 1,682 mm, , Height approximately 1,462 mm, , Wheelbase approximately 2,470 mm, , Ground clearance approximately 143 mm, , Seating capacity five, , Doors five, , These compact dimensions make the Vivo ideal for shopping centres, city parking spaces and busy traffic., , At the same time, the relatively long wheelbase provides surprisingly good interior space., , ECONOMICAL EVERYDAY MOTORING, , With a claimed combined consumption figure of approximately 5.5 L 100 km, the Polo Vivo 1.4 is particularly appealing to buyers concerned about rising fuel expenses., , Actual consumption will naturally depend on factors including traffic, driving style, load, tyre pressure and road conditions, but the vehicle s basic design prioritises efficiency., , The naturally aspirated 1.4-litre engine also offers a straightforward driving experience and has become well known in the South African market., , VOLKSWAGEN OWNERSHIP, , Volkswagen has established one of the strongest automotive networks in South Africa., , This can make ownership easier when it comes to servicing, repairs, genuine parts and future resale., , The 2026 Polo Vivo carries a 3-year 120,000 km manufacturer warranty and a 6-year anti-corrosion warranty, with scheduled servicing at 15,000 km intervals, subject to Volkswagen s applicable warranty terms and conditions., , IDEAL FOR FIRST-TIME BUYERS, , For somebody purchasing their first vehicle, the Polo Vivo offers an appealing combination of qualities , , Easy to drive, , Compact and manoeuvrable, , Economical, , Comfortable, , Recognisable brand, , Practical five-door body, , Good everyday equipment, , Strong resale reputation, , Accessible servicing network, , It is equally suitable for experienced drivers who simply want reliable, uncomplicated daily transport., , PERFECT FOR DAILY COMMUTING, , If you travel to work every day, the Polo Vivo s combination of fuel economy, compact proportions, air conditioning and smartphone connectivity makes it an excellent commuting companion., , The 1.4-litre engine is comfortable around town while still being capable of handling highway driving when required., , Its relatively light controls and predictable road manners make it particularly easy to operate in stop-start traffic., , WHY BUY THE 2026 VOLKSWAGEN POLO VIVO 1.4?, , The Polo Vivo does not need unnecessary gimmicks to make a strong argument., , It succeeds by concentrating on the things buyers use every single day., , You receive a dependable Volkswagen hatchback with , , Proven 1.4-litre petrol engine, , 55 kW power output, , 130 Nm torque, , 5-speed manual transmission, , Excellent claimed fuel economy, , Five-door practicality, , Five seats, , Air conditioning, , Power steering, , Electric front windows, , Remote central locking, , Bluetooth connectivity, , App-Connect, , 9-inch infotainment display, , Multi-function steering wheel, , Driver and passenger airbags, , Electronic Stability Control, , Hill Start Assist, , Tyre pressure monitoring, , Full-size spare wheel, , Practical luggage capacity, , Trusted Volkswagen engineering, , The Polo Vivo remains one of those vehicles that simply makes sense., , It looks good, is economical to operate, is easy to drive and offers enough interior space and equipment for everyday life., , Whether you re driving to work, dropping the kids at school, travelling to university, heading away for the weekend or simply looking for reliable transport, the 2026 Volkswagen Polo Vivo 1.4 5DR is ready for the job., , BOOK YOUR TEST DRIVE TODAY, , Come and experience the Volkswagen Polo Vivo for yourself., , Our team can assist with finance applications through all major banks, trade-in valuations and
